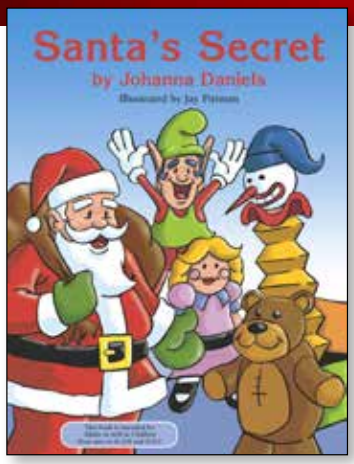
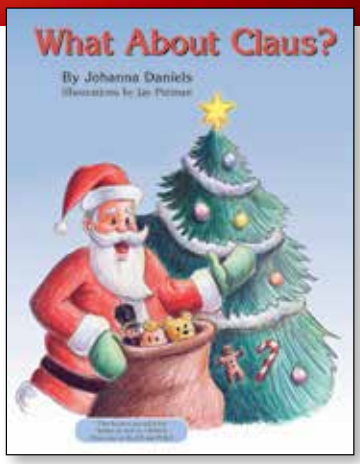
NEW RELEASES for this fall and holiday season



Special books for this holiday season reveal creative, valuable ways to share how Santa brings Jesus' messages of love, forgiveness, caring, and sharing to all.



Santa's Secret

Santa's Secret delivers the true meaning of Christmas in a delightful and unique fashion. Santa teaches that Jesus is the purpose for celebration. This enchanting story presents many Christian principles in a discernable and fun manner. Emphasis is placed on caring, loving, and selfless giving. The illustrations are expressive, colorful, and inspiring.

Santa's Secret solves the dilemma of Santa Claus taking away from the true meaning of Christmas. After reading this book, when they see Santa, many children and families cannot help but think of Christ and the real purpose of Christmas.

Sharing ***Santa's Secret*** with neighbors, friends, relatives, and co-workers is a great and easy way to introduce Jesus and the real purpose of Christmas to those who do not know the true meaning.

What About Claus?

What About Claus? is the companion to *Santa's Secret*. It is a wonderful story that teaches the importance of learning to forgive others and also learning to forgive yourself. Charming and beautifully illustrated, this book delivers a mystery the whole family will love. With expressive, colorful Illustrations, this enchanting story captivates and inspires. Understanding love and forgiveness has never been so delightful.

The clarity and truths of ***What About Claus?*** not only give more meaning to Christmas but also to the real purpose of life. This is a story that will be read over and over and shared again and again.

Under the Grapevines

From prison inmates to private practice psychologist Dr. Paul Brandon confronts problems and finds solutions in varied and out-of-the-box ways. His work takes unanticipated changes and ultimately finds new strength and purpose through a totally unexpected brave soul.

This awakening leads Paul to find his incredible true purpose, creating a haven for children and teens in need. Join the exhilarating journey as Paul realizes how to make life better for others, and inevitably, also for himself.
