

# Our Life is the Sum of *our* Choices

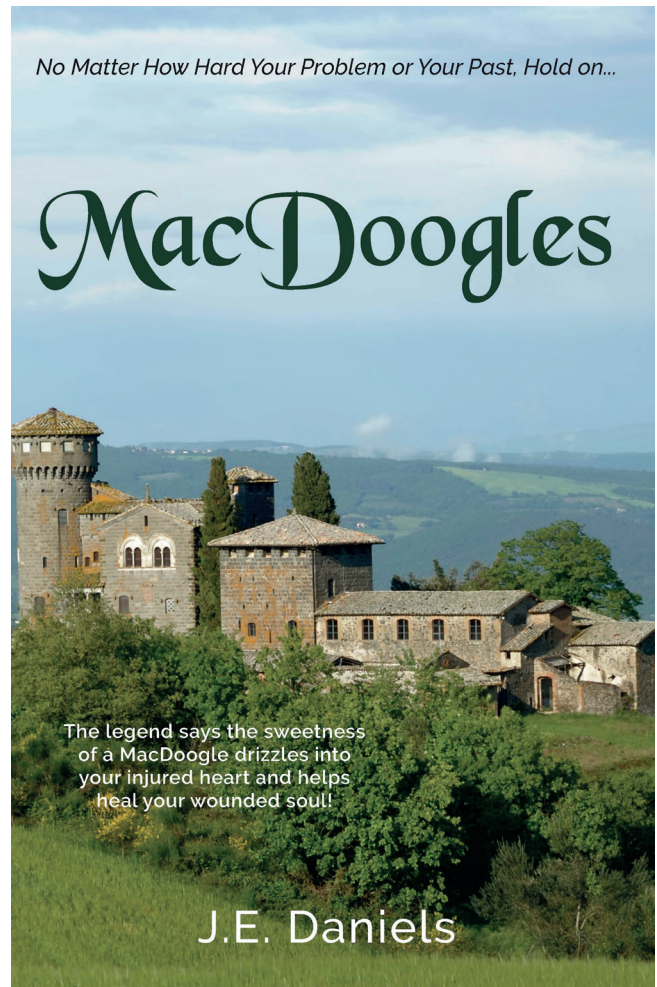

Author J.E. Daniels weaves passion for powerful writing with topical life issues and struggles of the characters. Creating captivating stories, the reader is immersed in the life-changing events and experiences of these characters. What draws them into their situations? What or who makes the difference in their ultimate direction? What could have happened if they took a different path?

**J. E. Daniels's messages interweave the most important and impactful journey that can be followed... the understanding that Jesus Christ is real. The purpose of these books is to introduce Jesus and the encouragement of a personal relationship. They reach those who have walked or fallen away from their faith with an opportunity to change direction. They also enable followers to share Christian principles woven into these stories by simply sharing a book and opening the door and the path.**

Who is this strange child? What does she want of me? How does she know my name? Father Flaherty knelt on the cold stones and prayed. He wanted answers.

Nine-year-old Mandy unexpectedly gets entangled with a sinister and frightening sex trafficking ring. Desperate, and with nowhere else to turn, she enlists the help of two unsuspecting, hesitant, and rather naïve monks to try to rescue some of the trapped victims from their nightmare.

The trio finds themselves up against merciless criminals who will kill anyone to protect their secrets. Can they outwit the brutal traffickers and save the innocent, or will their desperate mission lead to their own demise?

## SAND TRAP

The disappearance of a world-renowned international reporter has Lt. Colonel Grayson of the US Marine Corp completely baffled.

Drockden Sorrell was supposed to be in Riyadh, covering the wedding celebration of a Saudi Arabian prince. He was there . . . and yet he wasn't. Grayson is determined to uncover the truth and somehow unravel the intricate strategies threatening the entire region and possibly the world. In the midst of Grayson's investigation, he meets two US nurses who work for the Saudi Sunrise Oil Company's Medical, Rehabilitation, & Financial Compound in Riyadh. Reluctantly, Grayson allows the women to be drawn into a situation that may have dreadful international ramifications. Together, Grayson, Carol, and Sandy willingly put their lives at stake to uphold our most precious commodity -FREEDOM- and to help uncover what is surprisingly and secretly occurring. Will they succeed? More importantly, will they survive?
